

Motion to Approve Zoning Map Amendment F-1591 and
Statement of Consistency with Comprehensive Plan

I move that Zoning Map Amendment F-1591, including site plan and special use district, be **approved** on the basis of the following:

The proposed special use zoning map amendment, as petitioned by Stuart Wayne Parrish, George Winfield Parrish, and the Andrew Quentin Parrish Special Needs Trust, to rezone a 66.39-acre piece of property from AG to RS40-S (Residential Building, Single Family) is consistent with the recommendations of the Legacy Comprehensive Plan and reasonable or in the public interest because

1. The subject property is an undeveloped, heavily wooded tract adjacent to Belews Lake, straddling the Forsyth County/Guilford County border, and the subject property is surrounded by property zoned AG and near large-lot residential subdivisions with zoning similar to the RS40-S requested;
2. The proposed RS40-S zoning is intended to accommodate large-lot, single-family houses in areas without access to sewer;
3. The proposed use and site plan feature the construction of 56 large-lot single-family houses, a density of 0.84 houses per acre, which would be a consistent use to nearby residential neighborhoods;
4. The subject property would not have access to sewer, but would have access to public water from the Town of Stokesdale; and
5. The subject property is located in GMA 5, which is suitable for RS40-S zoning.

Second:

Vote:

COUNTY ORDINANCE - SPECIAL USE

Zoning Petition of Stuart Wayne Parrish, George Winfield Parrish, and the Andrew Quentin Parrish Special Needs Trust, Docket F-1591

AN ORDINANCE AMENDING
THE FORSYTH COUNTY
ZONING ORDINANCE AND THE
OFFICIAL ZONING MAP OF
THE COUNTY OF FORSYTH,
NORTH CAROLINA

BE IT ORDAINED by the Board of County Commissioners of the County of Forsyth as follows:

Section 1. The Zoning Ordinance of the Unified Development Ordinances of the County of Forsyth, North Carolina, and the Official Zoning Map of the County of Forsyth, North Carolina, are hereby amended by changing from AG to RS40-S (Residential Building, Single Family) the zoning classification of the following described property:

PIN# 6990-35-6657

Section 2. This Ordinance is adopted after approval of the site plan entitled Coldwater, and identified as Attachment A of the Special Use District Permit issued by the Forsyth County Board of Commissioners the _____ day of _____, 20____ to Stuart Wayne Parrish, George Winfield Parrish, and the Andrew Quentin Parrish Special Needs Trust.

Section 3. The Board of Commissioners hereby directs the issuance of a Special Use District Permit pursuant to the Zoning Ordinance of the Unified Development Ordinances for a development to be known as Coldwater. Said Special Use District Permit and site plan with associated documents are attached hereto and incorporated herein.

Section 4. This Ordinance shall be effective from and after its adoption.

COUNTY, SPECIAL USE DISTRICT PERMIT

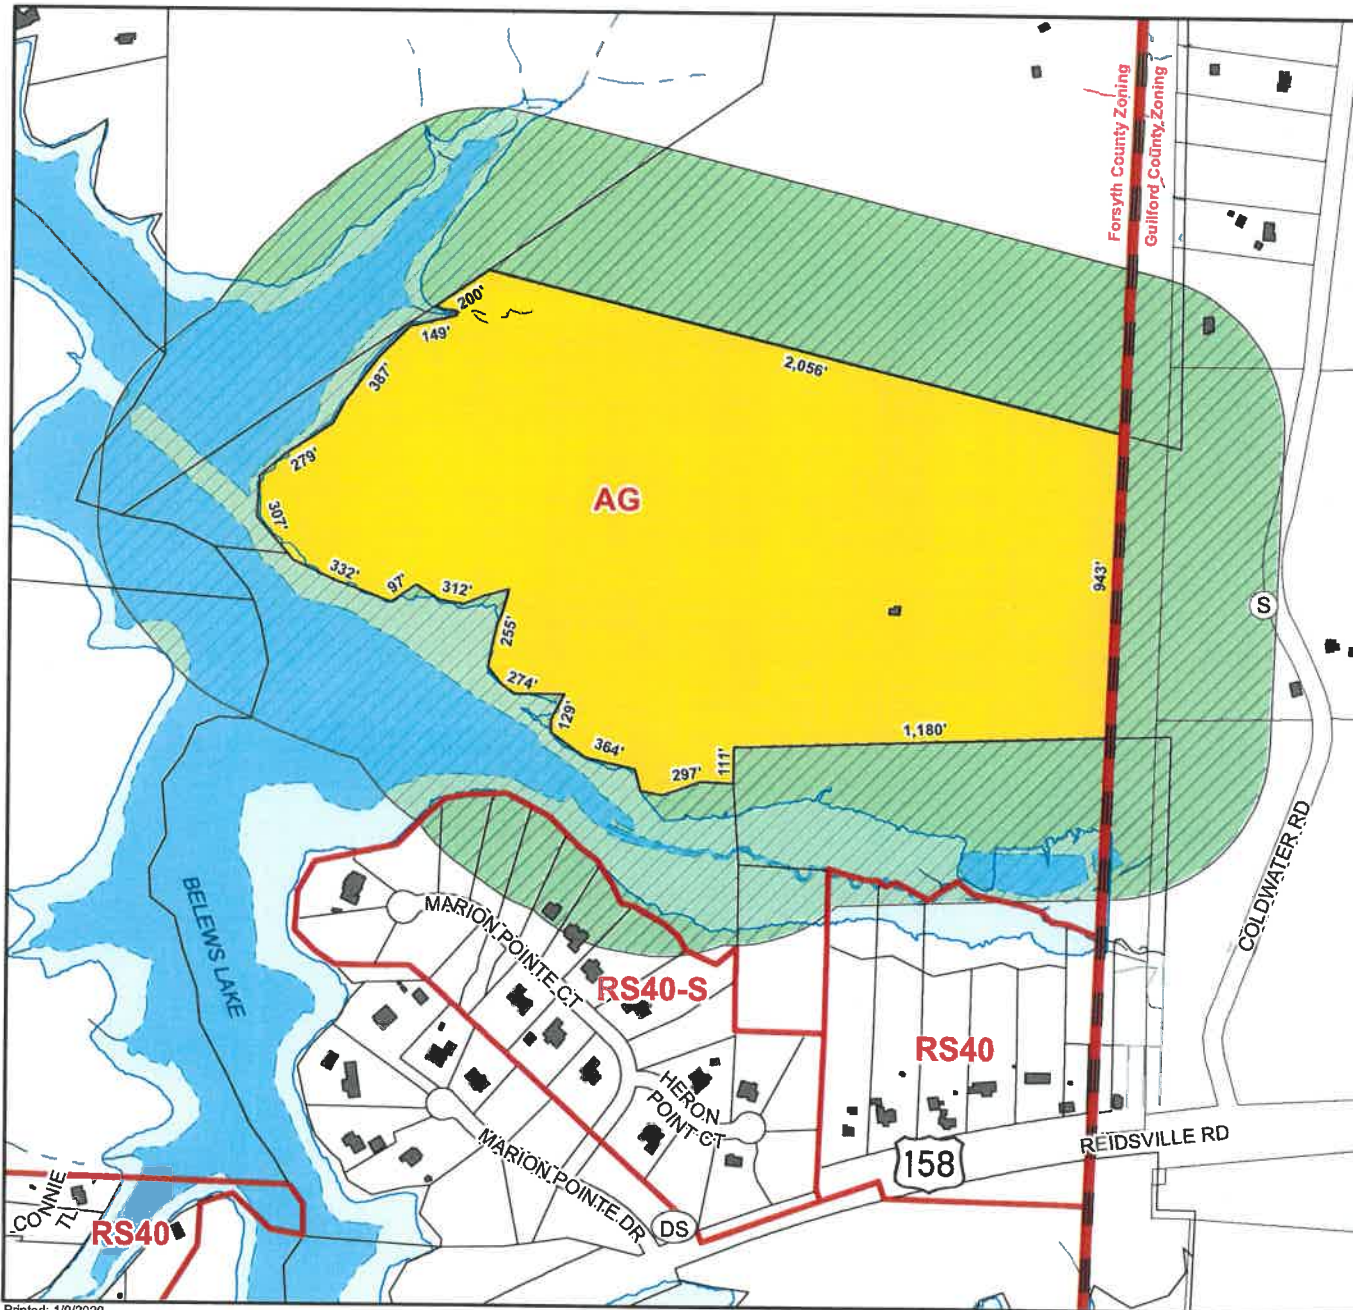

SPECIAL USE DISTRICT PERMIT

Issued by the Forsyth County
Board of Commissioners

The Forsyth County Board of Commissioners issues a Special Use District Permit for the site shown on the site plan map included in this zoning petition of Stuart Wayne Parrish, George Winfield Parrish, and the Andrew Quentin Parrish Special Needs Trust (Zoning Docket F-1591). The site shall be developed in accordance with the plan approved by the Board and bearing the inscription: "Attachment A, Special Use District Permit for RS40-S (Residential Building, Single Family), approved by the Forsyth County Board of Commissioners the ____ day of _____, 20 ____" and signed, provided the property is developed in accordance with requirements of the RS40-S zoning district of the Zoning Ordinance of the Unified Development Ordinances of the County Code, the Erosion Control Ordinance, and other applicable laws, and the following conditions be met:

- **PRIOR TO THE ISSUANCE OF GRADING PERMITS:**
 - a. Developer shall obtain relevant development permits (including for the provision of public water service from the Town of Stokesdale) for the portion of the site located within Guilford County.
 - b. Developer shall obtain all necessary permits (including stormwater) from the North Carolina Department of Environmental Quality (NCDEQ) and/or the US Army Corp of Engineers.
 - c. Developer shall obtain a driveway permit for the access point from Coldwater Road, along with any necessary encroachment agreements for utility ties within Coldwater Road, from NCDOT.
 - d. Developer shall obtain approval from the Forsyth County Department of Public Health for all proposed septic systems.

- **PRIOR TO THE SIGNING OF PLATS:**
 - a. Developer shall complete all requirements of the NCDOT driveway permit.
 - b. All NCDEQ requirements shall be completed.

PETITION INFORMATION			
Docket	F-1591		
Staff	Gary Roberts, Jr., AICP		
Petitioner(s)	Stuart Wayne Parrish, George Winfield Parrish, and the Andrew Quentin Parrish Special Needs Trust		
Owner(s)	Same		
Subject Property	PIN 6990-35-6657		
Address	There is currently no address assignment for the subject property.		
Type of Request	Special Use rezoning from AG to RS40-S		
Proposal	<p>The petitioner is requesting to amend the Official Zoning Map for the subject property from AG (Agricultural – 40,000sf minimum lot size) to RS40-S (Residential, Single-Family – 40,000sf minimum lot size – Special Use). The petitioner is requesting the following use:</p> <ul style="list-style-type: none"> • Residential Building, Single Family 		
Neighborhood Contact/Meeting	A summary of the petitioner’s neighborhood outreach is attached.		
Zoning District Purpose Statement	<p>The RS40 District is primarily intended to accommodate single-family detached dwellings on large lots in areas without access to public water and sewer services. The district is established to promote single family detached residences where environmental features, public service capacities, or soil characteristics necessitate very limited development. This district is intended for application in GMAs 4 and 5 and appropriate protected watershed areas. This district may also be applicable to older, larger lot development in GMAs 2 and 3 developed prior to the effective date of this Ordinance.</p>		
Rezoning Consideration from Section 3.2.15 A 13	Is the proposal consistent with the purpose statement(s) of the requested zoning district(s)?		
	This proposal is consistent with the purpose statement of the RS40 district in that the site is located within GMA 5 and it is not served with public sewer.		
GENERAL SITE INFORMATION			
Location	West side of Coldwater Road, north of Reidsville Road/US 158		
Jurisdiction	Forsyth County		
Site Acreage	± 66.39 acres		
Current Land Use	The site is currently undeveloped.		
Surrounding Property Zoning and Use	Direction	Zoning District	Use
	North	AG	Undeveloped property
	East	AG (Guilford County Zoning)	Undeveloped property
	South	AG	Undeveloped property
	West	AG	Belews Lake

Rezoning Consideration from Section 3.2.15 A 13	Is/are the use(s) permitted under the proposed classification/request compatible with uses permitted on other properties in the vicinity?					
	Yes. The proposed low-density, single-family residential use is generally compatible with the uses permitted on the adjacent properties.					
Physical Characteristics	The site is heavily wooded with a mixture of deciduous and evergreen trees. The western edge of the site abuts Belews Lake, which includes some regulatory floodplain areas. The site also has a wide variation in topography, including some steep slope areas.					
Proximity to Water and Sewer	Because public sewer is not available, this development would utilize individual septic systems. The site does not have access to public water from the Winston-Salem/Forsyth County Utilities Commission; however, it does have access to public water service from the Town of Stokesdale.					
Stormwater/ Drainage	The proposed streets are not required to have curb and gutter. Stormwater runoff would sheet flow into side ditches with outflow into several drainage easements flowing to the edges of the site.					
Watershed and Overlay Districts	The site is not located within a water supply watershed.					
Historic, Natural Heritage and/or Farmland Inventories	There are two properties within the vicinity of the subject property that are in the Voluntary Agricultural District program: one is located approximately .8 mile southwest, and the second is located approximately .75 mile north.					
Analysis of General Site Information	This undeveloped site is located in the northeast corner of Forsyth County adjacent to Belews Lake. The proposed development straddles the Forsyth/Guilford County line, which creates unique circumstances for providing services. Public sewer is not available, but the site would be served by Town of Stokesdale water.

Street Name	Classification	Frontage	Average Daily Trip Count	Capacity at Level of Service D		
Coldwater Road	Local Street	± 420 feet in Guilford County	N/A	N/A		
Proposed Access Point(s)	The site will be accessed from Coldwater Road in Guilford County.					
Trip Generation - Existing/Proposed	<p><u>Existing Zoning: AG</u> 66.39 acres / 40,000 sf = 72 homes x 9.57 (single-family trip rate) = 689 trips per day</p> <p><u>Proposed Zoning: RS40-S</u></p>					

	56 homes x 9.57 (single-family trip rate) = 536 trips per day	
Sidewalks	Sidewalks are not required.	
Transit	Not available.	
Connectivity	The proposed public street system complies with the required connectivity index and includes a northbound stub street to a large undeveloped tract.	
Analysis of Site Access and Transportation Information	The site will be accessed from Coldwater Road approximately 450 feet east. All proposed streets are public, and the proposed street network includes a stub to the north. Sidewalks are not required. Staff does not anticipate any transportation-related issues associated with the request, which proposes fewer single-family homes than would be permissible under the current zoning.	
SITE PLAN COMPLIANCE WITH UDO CLEARCODE REQUIREMENTS		
Units (by type) and Density	56 single-family homes on 66.39 acres = .84 units per acre	
UDO ClearCode Sections Relevant to Subject Request	<ul style="list-style-type: none"> • Section 4.5.3 RS40 District • Chapter 7, Subdivision Requirements 	
Complies with Section 3.2.11	(A) Legacy 2030 policies:	Yes
	(B) Environmental Ordinance	N/A
	(C) Subdivision Regulations	Yes
Analysis of Site Plan Compliance with UDO ClearCode Requirements	The plan illustrates the street layout and lotting pattern for a 56-lot conventional single-family subdivision. The proposed use is allowed in the existing and proposed zoning districts, and both districts have the same minimum lot size of 40,000 square feet. The relevant distinction for this request pertains to minimum lot width (150 feet in AG and 100 feet in RS40).	
CONFORMITY TO PLANS AND PLANNING ISSUES		
Legacy 2030 Growth Management Area	Growth Management Area 5 – Rural Area	
Relevant Legacy 2030 Recommendations	<ul style="list-style-type: none"> • Minimize the conversion of undeveloped land into residential subdivision development in Forsyth County’s Rural Area by limiting the extension of public sewer into the area. • Without public sewer, the Rural Area will be much more likely to contain only scattered, low-density residential uses in addition to agricultural uses and woodlands. • Encourage subdivisions that conserve open space and rural vistas. • Do not rezone property to more intense districts. 	
Relevant Area Plan(s)	The site is not within the boundaries of an area plan; however, it is located within the <i>Northeast Rural Area Study</i> (2012 - not adopted) prepared for the Forsyth County Board of Commissioners.	
Area Plan Recommendation	<ul style="list-style-type: none"> • Do not extend sewer to the area and carefully evaluate the use of private package treatment plants. 	

s	<ul style="list-style-type: none"> • Encourage Planned Residential Developments (PRDs) in areas that are to be subdivided. • Encourage rurally compatible design and landscaping of residential development to minimize the impact of new developments on the community's rural and scenic character.
Site Located Along Growth Corridor?	The site is not located along a growth corridor.
Site Located within Activity Center?	The site is not located within an activity center.
Addressing	The proposed street names have been approved by MapForsyth. Individual addresses will be assigned at platting.
Rezoning Consideration from Section 3.2.15 A 13	Have changing conditions substantially affected the area in the petition?
	No
	Is the requested action in conformance with <i>Legacy 2030</i>?
	Yes
Analysis of Conformity to Plans and Planning Issues	<p>The request is to rezone an undeveloped tract from AG to RS40-S to accommodate a 56-lot subdivision. The site is adjacent to Belews Lake and straddles the Forsyth/Guilford County line.</p> <p>The site is located within the Rural Area (GMA 5). The surrounding development pattern is a combination of large-lot residential and undeveloped land. Several large-lot residential subdivisions in the immediate vicinity of Belews Lake have similar zoning.</p>
CONCLUSIONS TO ASSIST WITH RECOMMENDATION	
Positive Aspects of Proposal	Negative Aspects of Proposal
The request is for fewer lots than could be approved under the current AG zoning.	The request would result in the conversion of a large, heavily wooded area in GMA 5 to a conventional single-family subdivision.
The request complies with the RS40 district purpose statement.	
The proposed public street pattern complies with the street connectivity index, including a stub street to the north which would accommodate future development.	
The site is not located within a water supply watershed.	

SITE-SPECIFIC RECOMMENDED CONDITIONS OF APPROVAL

The following conditions are proposed from interdepartmental review comments to meet established standards or to reduce negative off-site impacts:

- **PRIOR TO THE ISSUANCE OF GRADING PERMITS:**
 - a. Developer shall obtain relevant development permits (including for the provision of public water service from the Town of Stokesdale) for the portion of the site located within Guilford County.
 - b. Developer shall obtain all necessary permits (including stormwater) from the North Carolina Department of Environmental Quality (NCDEQ) and/or the US Army Corp of Engineers.
 - c. Developer shall obtain a driveway permit for the access point from Coldwater Road, along with any necessary encroachment agreements for utility ties within Coldwater Road, from NCDOT.
 - d. Developer shall obtain approval from the Forsyth County Department of Public Health for all proposed septic systems.

- **PRIOR TO THE SIGNING OF PLATS:**
 - a. Developer shall complete all requirements of the NCDOT driveway permit.
 - b. All NCDEQ requirements shall be completed.

STAFF RECOMMENDATION: Approval

NOTE: These are **staff comments** only; the City-County Planning Board makes **final recommendations** on proposals, and **final action** is taken by the appropriate Elected Body, which may approve, deny, continue or request modification to any request. **THE APPLICANT OR REPRESENTATIVE IS STRONGLY ENCOURAGED TO ATTEND THE PUBLIC HEARINGS WHERE THE CASE WILL BE CONSIDERED BY THE PLANNING BOARD AND THE ELECTED BODY.**

Dear Mr. Roberts:

As you know, First Carolina Homes has made application to rezone the above referenced property to the RS40-S district. As a part of the process, on January 15, 2020 we mailed letters (see sample) to 17 nearby property owners (see attached list) informing them of our application and providing a brief overview of our development plans. This list includes residential property owners within 500 feet of the subject property. We offered to address questions by phone, email or meeting. We requested a response by January 31, 2020.

The office phone and email inbox provided in the letter are regularly monitored. To date, we have received one phone call from a property owner who owns a significant amount of property nearby. Our conversation was brief and cordial and a meeting to share our proposed site plan was offered. The caller indicated he had no objection to our proposed rezoning and would appreciate updates along the way. We place a high value on neighborly relations and will continue in our efforts to provide timely information as our plans progress.

Sincerely yours,

Paul Holst

**RE: Forsyth County Parcel: 6990-35-2534
Andrew Quentin Parrish Special Needs Trust**

Dear Neighbor:

First Carolina Homes is the contract purchaser of the above referenced property (see attached area map). The 78-acre property straddles the Guilford and Forsyth County line with access from Coldwater Road in Guilford County. Most of the property lies within Forsyth County. The property is bounded on the south and west by Duke Energy's Belew's Lake property holdings and enjoys scenic views of the lake as well as a couple of picturesque natural drainage features. We would like to develop a first-class, lake-oriented community with as many as fifty-seven single-family lots. In order to develop accordingly, a rezoning to the RS40 zoning district (Winston-Salem/Forsyth County) is necessary. This district requires a minimum lot size of 40,000 square feet (approximately one acre) and would be served by public water and private septic systems. The RS40 zoning district has been recommended by City-County planning staff and is consistent with other nearby communities such as Marion Pointe and Lake Point.

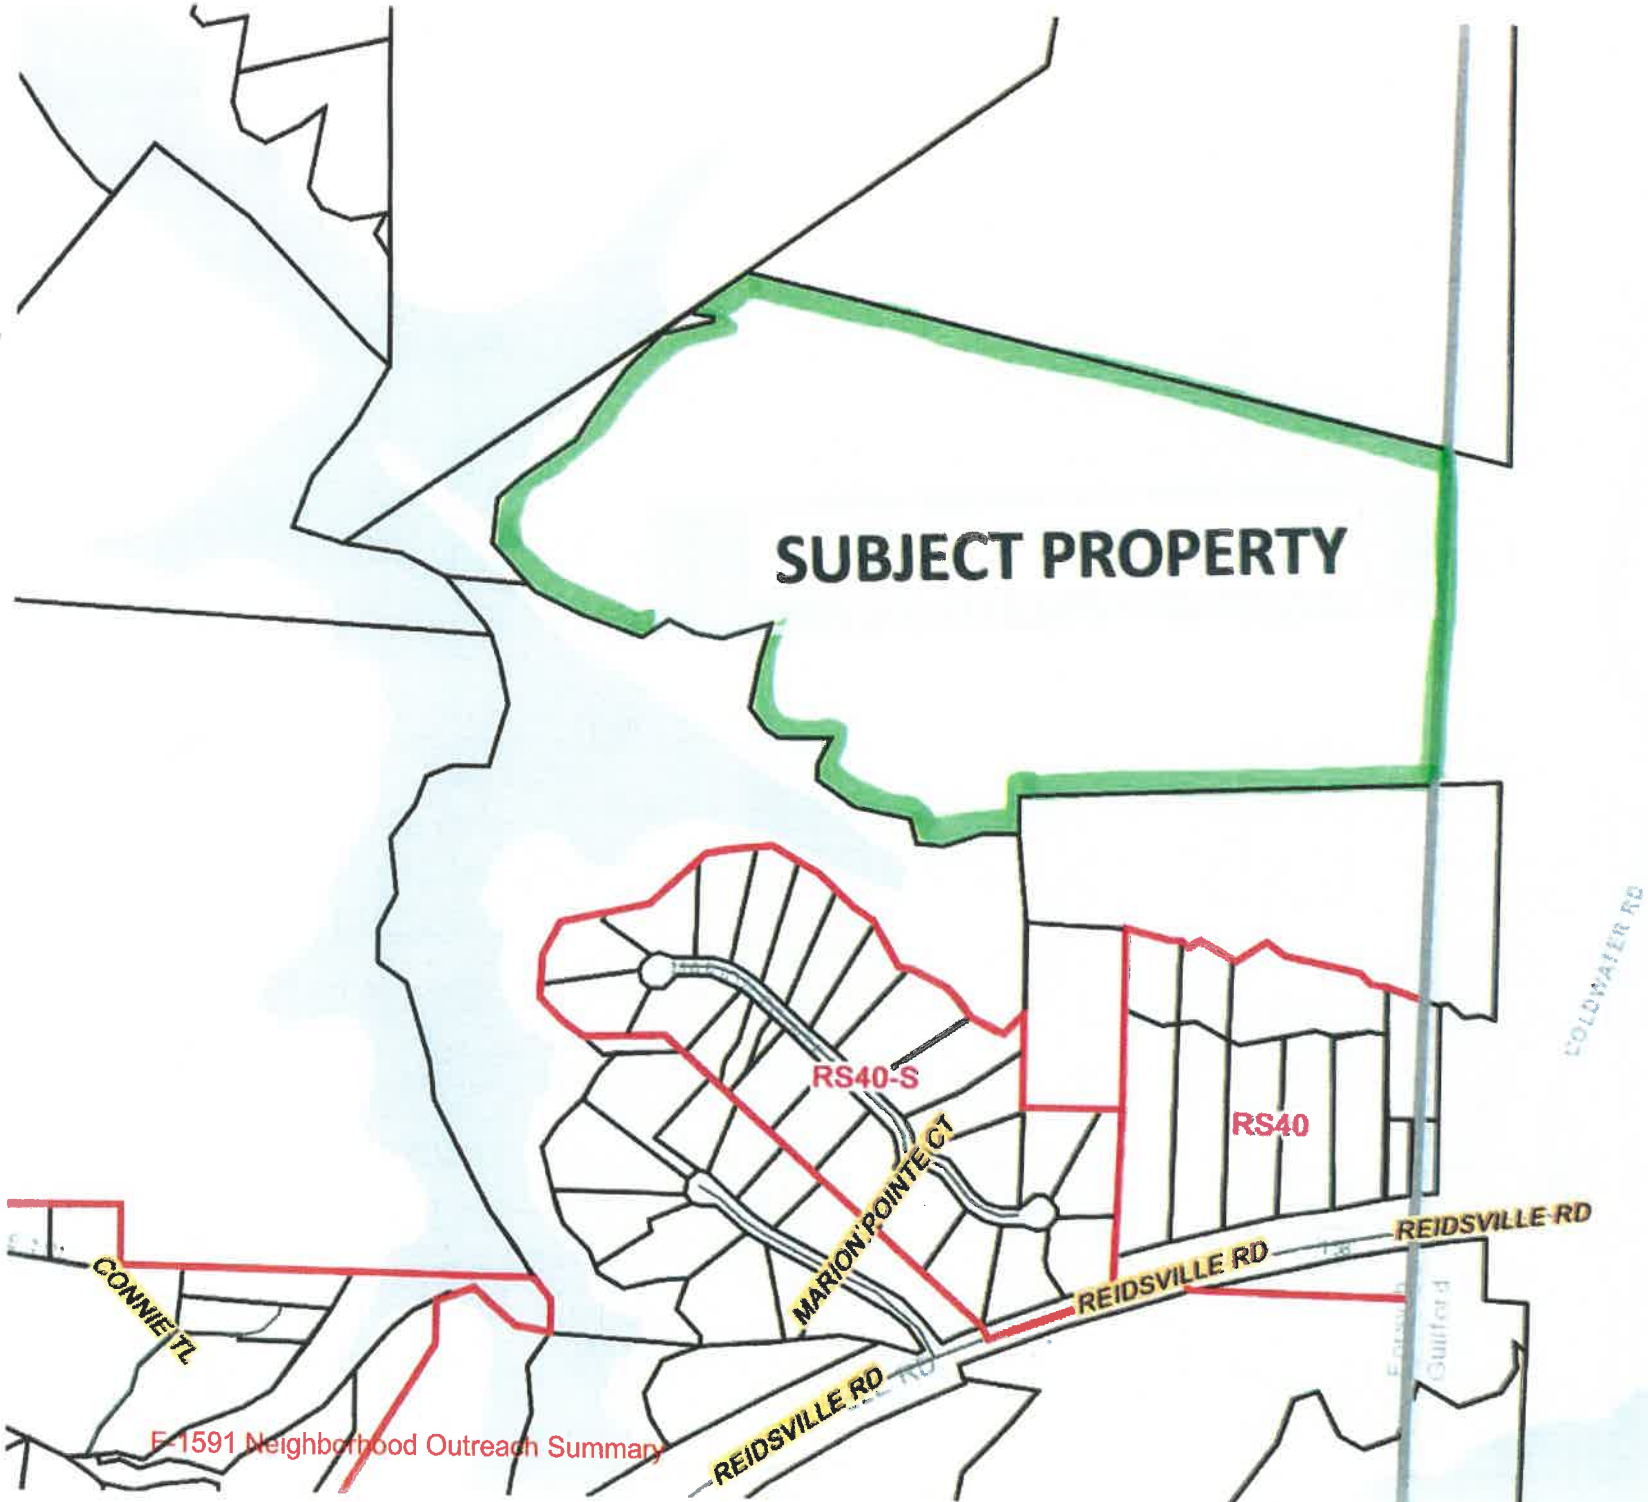

Our preliminary site plan includes public roads, a community pool amenity, walking trails, an open play field and provides for the preservation of most of the property's natural beauty. We are also able to buffer home-sites from Coldwater Road with over 10 acres of open space along its frontage. An extension of Stokesdale's public water system from Rt. 158 along the west side of Coldwater Road to the property is also planned. A homeowner's association with restrictive covenants will be formed to maintain the community amenities, review and approve house and lot grading plans, protect property values and its natural beauty.

We would be happy to respond to any questions by phone (336) 839-0001, email (paul@1stcarolinahomes.com) or in person. If there is sufficient interest, we would also consider a group meeting. The City-County Planning Board (Winston-Salem Forsyth County) will be holding a public meeting at 4:30 pm on February 13, 2020. We would appreciate hearing from you by January 31, so that we are able to inform the planning board, as required. As we are only contacting the property owners closest to the property, please feel free to share this information with your neighbors.

Sincerely yours,

Paul & Lynn Holst
First Carolina Homes
