

**NEED REPAIR  
SERVICES?**

## **Forsyth County Housing Rehabilitation Program**

Through use of State and Federal funding, the Community & Economic Development department provides a variety of housing repairs to qualifying Forsyth County homeowners that result in safe, stable, and suitable housing. Services offered include roof repair & replacement, lead paint & asbestos remediation, septic system replacement, well replacement, HVAC repair & replacement, plumbing & electrical upgrades, accessibility modifications and other general improvements.

**Are you a homeowner and full-time resident of Forsyth County?**

**Are you current on your mortgage payments?**

**Are you current on your property taxes?**

**Does your household meet low-to-moderate income guidelines?**

If you answered YES and the house you own and live in is in need of serious repairs, you may qualify for Forsyth County's Housing Rehabilitation Program. Contact Bryn Lenkaitis at 336-703-2684 to fill out an application today.

(We have limited funding to serve households residing within the city limits of Winston-Salem)
