

FORSYTH COUNTY

BOARD OF COMMISSIONERS

MEETING DATE: May 23, 2019

AGENDA ITEM NUMBER: 3

SUBJECT: AMENDMENT TO THE FY 2018-2019 BUDGET ORDINANCE TO APPROPRIATE RESTRICTED FUND BALANCE FROM THE REGISTER OF DEEDS AUTOMATION ENHANCEMENT AND PRESERVATION FUND FOR TECHNOLOGY PURCHASES

COUNTY MANAGER'S RECOMMENDATION OR COMMENTS: Recommend Approval

SUMMARY OF INFORMATION:

The Register of Deeds would like to allow customers to use credit and debit cards to pay fees when they are due, which would require the purchase of additional hardware, software, and card readers for eleven work stations. In addition, due to the conversion of their computers to Windows 10, it is necessary to purchase eleven new receipt printers that validate checks and money orders.

The Register of Deeds Automation Enhancement and Preservation Fund was established through North Carolina General Statute 161-11.3, which requires counties to set aside a percentage of fees collected by the Register of Deeds for use on computer or imaging technology and needs associated with the preservation and storage of public records in the office of the Register of Deeds.

As of June 30, 2018, \$1,504,350 was reserved in restricted fund balance for the Register of Deeds. The Fiscal Year 2018-2019 budget appropriated \$22,619 of this amount for server costs associated with Register of Deeds activities. At the January 24, 2019, meeting the Board of Commissioners approved an amendment to the FY19 Budget Ordinance to appropriate \$68,095 of restricted fund balance from the Automation Enhancement and Preservation Fund into the General Fund to purchase other technology equipment reducing the balance to \$1,413,636.

This item, if approved, will appropriate \$20,300 for the purchase of hardware, software, and card readers, as well as receipt printers, for eleven work stations. The remaining balance in the Automation Enhancement and Preservation Fund will be \$1,393,336.
